Globalization indicators of U.S. multinationals in commercial KI services: 2013

KI = knowledge intensive.

NOTES: Value added is the amount contributed by a country, firm, or other entity to the value of a good or service and excludes purchases of domestic and imported materials and inputs. Commercial KI services are classified by the Organisation for Economic Co-operation and Development and include business, financial, and information. Internet and data processing are part of communications. Management, scientific, and technical and computer system design are part of business services.
